2019: A Codeup Year In Review

Posted on January 31, 2020 | In Announcements, Dallas, Data Science, Full Stack Web Development, General, San Antonio

It's official – 2019 has come and gone and we've hit 2020 fast! At the start of this new year, we like to reflect on 2019, giving gratitude to everyone who supported us and celebrating our many shared victories. It was a year of life changes, ground-breaking firsts, and growth.

After such a big year for our community and students, we wanted to share some of our reflection highlights with you! Here's what happened in 2019:
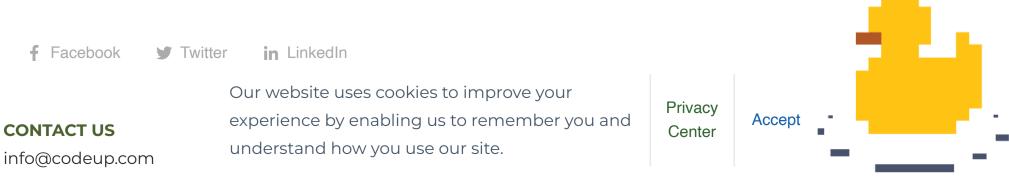

2019 Firsts

1. Launched San Antonio's FIRST and ONLY Data Science career accelerator
2. Graduated San Antonio's first class of Data Scientists
3. Expanded our program to Dallas, TX
4. Named San Antonio #2 Best Place to Work

By the numbers

- 129 # of individuals who changed their careers at Codeup
- 574 total # of Codeup alumni network
- 16 # of alumni placed in Dallas
- 25% military veteran students
- 27% female students
- 52% racial and ethnic minority students
- $189,053.81 amount of scholarship funds given by Codeup to its students
- 49 # of partner companies who hired from us
- $6,327,295.40 salaries earned by Codeup grads in their first jobs as Software Devs and Data Scientists

Our mission is to empower life change. If 2019 wasn't your year, maybe 2020 will be 🙂 Reach out to us – we'd love to help you create your future!
